Must have been an angel
Sweet spirits
Ringing from above
Showered me with lyrics of love
Blessing me over and over again
So I serenade my song (my song)
My love (my love) For you babe
And I'll give you my all
My heart (Oh yeah)
And I serenade for you
(Serenade I'll serenade for)
For You (I'll serenade)
Serenade for you
(my heart) For you baby
(My soul) Serenade for you
Oh singing was my destiny
My calling (To I find my way to you)
To find my way to you
Something right out of a dream
Angels came to me
And sang this heavenly song to me

So I serenade my love my song (oh)

My love

For you, babe (my Love)

And I'll give you my all (my heart)

My heart (my song)

And I serenade for you (for you)

For you

Serenade for you

(I serenade for you, I serenade for you)

For you baby

Serenade for you

My love is true for you

You never have to worry baby

Cuz I've got what you need

You'll never be alone

My heart will be

Your shelter and keep you warm

Need me, feel me, hold me (my love)

Forever and ever

Need me, feel me (oh my heart)

Hold me (oh babe)

Forever and ever

I serenade for you

Serenade for you

For you

Serenade for you

Oh, for you baby

Serenade for you(I'll serenade for you)

I'll serenadeSo if I

So if I serenade

So if I

So if I so if I serenade

So if ISo if I so if I serenade
