

Shades "Tell Me"

Visit "[Tell Me](#)" on MotoLyrics.com

Yeah, come on, Motown
Girls, help me sing it

Tell me your name
('Cuz I wanna know)
What car do you drive?
(And tell me where can we go)
How much money do you make
(How can I be down)
As long as you have
(I'll be around)

Tell me your name
('Cuz I wanna know)
What car do you drive?
(And tell me where can we go)
How much money do you make
(How can I be down)
As long as you have
(I'll be around)

Most guys they come a dime a dozen
And they always try to get wit me
Don't think that I'm an opportunist
I fall in love but just not for free, so baby tell me

Tell me your name
('Cuz I wanna know)
What car do you drive?
(And tell me where can we go)
How much money do you make
(How can I be down)
As long as you have
(I'll be around)

Tell me your name
('Cuz I wanna know)
What car do you drive?
(And tell me where can we go)
How much money do you make
(How can I be down)
As long as you have

(I'll be around)

Most guys they think that I'm a user

(User)

They think I take and then I never give

(They think I always take and then I never give)

It's time for girls to make a statement

I'm going for mine this ladys got to live, ooh, tell me

Tell me your name

('Cuz I wanna know)

What car do you drive?

(And tell me where can we go)

How much money do you make

(How can I be down)

As long as you have

(I'll be around)

Tell me your name

('Cuz I wanna know)

What car do you drive?

(And tell me where can we go)

How much money do you make

(How can I be down)

As long as you have

(I'll be around)

If you want me then I must see

You'll give me any and everything that I need baby

I'll fall in love if love is meant

'Cuz ain't nothin' going on but the real, so tell me

Tell me your name

('Cuz I wanna know)

What car do you drive?

(And tell me where can we go)

How much money do you make

(How can I be down)

As long as you have

(I'll be around)

Tell me your name

('Cuz I want to know)

What car do you drive?

(And tell me where can we go)

How much money do you make

(How can I be down)

As long as you have

(I'll be around)

Tell me your name

('Cuz I got to know)
What car do you drive?
(And tell me where can we go)
How much money do you make
(How can I be down)
As long as you have
(I'll be around)
