Suno na  
Kahe kya suno na  
Dil mera suno na  
Suno zara...  
Teri baahon mein  
Mujhe rehna hai raat bhar  
Teri baahon mein hogi subah

Be inteha.. be-inteha  
Be inteha.. hmmm  
Yun pyar kar  
Yun pyaar kar  
Be inteha  
Dekha karoon saari umar  
Saari umar  
Tere nishaan Be inteha  
Koi kasar na rahe  
Meri khabar na rahe  
Chhu le mujhe is kadar Be inteha

Jab saanson mein  
Teri saansein ghuli to  
Phir sulagne lage  
Ehsaas mere mujhse kehne lage  
Haan..  
Baahon mein teri aake  
Jahaan do yun simatne lage  
Sailaab jaise koi behne lage  
Khoya hoon main aagosh mein  
Tu bhi kahaan ab hosh mein  
Makhmali raat ki ho na subah...  
Be inteha [Be inteha]  
Be inteha [Be inteha]  
Yun pyar kar [yun pyar kar]  
Be inteha [Be inteha]  
Ho...

Hmmm...  
Hmmm...

Gustakhiyaan.. kuchh tum karo

Kuchh hum karein.. is tarah

Hmmm...

Sharrma ke do saaye hain jo  
Mooh pher lein hum se yahaan

Haan..

Chhu to liya hai yeh jism tune  
Rooh bhi choom le  
Alfaaz bheege bheege kyun hain mere..

Haan...

Yun choor hoke majboor hoke  
Qatra qatra kahe  
Ehsaas bheege bheege kyun hain mere  
Do bekhabar bheege badan  
Ho besabar bheege badan  
Le rahe raat bhar angdaaiyaan

Be inteha.. Be inteha  
Be inteha.. Be inteha  
Yun pyar kar.. yun pyar kar  
Be inteha.. Be inteha  
Dekha karoon.. dekha karoon  
Saari umar.. saari umar  
Tere nishan.. tere nishan  
Be inteha.. Be inteha  
Koi kasar na rahe  
Meri khabar na rahe  
Chhu le mujhe is kadar Be inteha
