(Verse)

I don't care about no bitches
No bitches, I don't care about them
They dope bitches
JR call 'em up, Nemo bitches
They all want money, they go getters
Sex & weed, sex & weed
Bally total, flats on me
Throw it back, Drew breeze
Real name Drew but they call me Priv
Tryin' to duck the way from them bees
Ah, KD up in this bitch
No DJ up in this bitch
We don't need one, we host this shit
Uh, Joe World you ain't notice it?

(Hook)

Sex & weed,
Sex & weed,
Sex & weed,
Hold up, notice it?
Sex & weed,
Sex & weed,
Bally total, you ain't notice it?

(Verse)

I know a girl name Bridget tell her I'll be there in a
minute
I'm in this studio can't waste my time with big booty
hoes
Uh done the game on Sunday she's still worried about
when the sun's play
Me I'm worried about when the bank close
I thin it's gotta check my funds day

(Hook x2)

Sex & weed,
Sex & weed,
Sex & weed,
Hold up, notice it?
Sex & weed,

Sex & weed,
Bally total, you ain't notice it?

(Verse)

Had a chick named Ashley in high school
Now I'm smoking welcome to high school
She in Philly I heard she married now
But if she not then I'ma take it down
Philly trip, Philly trip got to take another Philly trip
Go got Cali, Oklahoma now I'm looking for a Philly dip
Philly dip where you at, I know you heard that I'm killing
that
I ain't even got to try hard with the swag baby girl I
know you feelin' it
Now what they do boo?
I know you seen my ass on youtube
I got a few views, one of 'em is me and one of 'em is
you

(Outro)

Sex & weed, sex & weed
Sex & weed, sex & weed
Sex & weed, sex & weed
You heard it that
Sex & weed, sex & weed
Sex & weed, sex & weed
Sex & weed, sex & weed
Not know of that
