Featuring Trina

(Intro)

I'm thinking of you  
All I can do, just thinking about you  
Thinking about you, I'm thinking of you  
All I can do, just thinking about you  
Trina  
Thinking of you, just thinking of you  
All I can do, just think about you

(Verse:Trina)

I'm visualizing me and you on an island  
Black sand holding hands and covered in diamonds  
Look up in the sky it's a unicorn  
And I can't get enough of how you do me boy  
I see you ripping off your clothes, kissing on your chest  
Look down to your stomach so you know it's coming  
next  
My fantasy a trip I'm thinking about the hot spot  
Late night skype conversations from the laptop  
Got your T-shirt own your cologne on it  
Make me feel like you still right at home, you know  
Check your phone couldn't help it take off this necklace  
and shade  
And he replied with an LOL smiley face

(Hook)

I'm thinking of you  
All I can do, just thinking about you  
Thinking about you, I'm thinking of you  
All I can do, just thinking about you

(Verse:Privaledge)

And now legs up arms back  
Squeezing on your thighs make that ass look fat  
I'm just visualizing you telling me where is that  
I'ma put my mouth on it whatever to get it wet  
'Cause I just wanna see you smile when it's over away  
Lay in bed and talk about how we grow and shit  
First kiss upon your neck then go to your hip

Dynamite dick how you thinking pull me a hit bomb  
You be looking bomb, dressed good smell good that  
should be a crime  
Even though I'm on skype I'm checking you from  
behind  
And you can have the world as long as I know you mine  
girl

(Hook)

I'm thinking of you  
All I can do, just thinking about you  
Thinking about you, I'm thinking of you  
All I can do, just thinking about you
