100 days in dessert sand
A drifter in no man's land
Following someone
Else's caravan

I roam like a nomad since I left
Soaking in solitude
I go without water
But not without you

100, 200, 300 days
Since I saw you
100, 200 more
It's up to you to rescue me

100, 200, 300 days
Since I saw you
100, 200
100 days, 1 summer

200 degrees I'm burning down
I don't sleep at all at night
I lie awake wondering
If you're alright

Civilization rises up
Cities come into view
Mirages of places
I once went with you

100, 200, 300 days
Since I saw you
100, 200 more
It's up to you to rescue me

100, 200, 300 days
Since I saw you
100, 200
100 days, 1 summer, 100 days

300 times put to the test
A sultan without a land

Looking for someone
Who could understand

100 days in dessert sand
It didn't go how I planned
I never knew missing you
Would hurt so bad

100, 200, 300 days
Since I saw you
100, 200 more
It's up to you to rescue me

100, 200, 300 days
Since I saw you
100, 200
100 days, 1 summer
100 days, 1 summer
100 days, 100 days

1 more summer night
1 more summer night
1 more summer night
1 more summer night

Now, 1 more summer night
1 more summer night
1 more summer night
1 more
