I am about to set the record straight (the world's famous)

Its 99 man time to let them know man

Verse One:

Yo aiyo yo yo

Its kill or be killed

My skillz leavin them chilled on ice

Like twice when I flash my steel

They can't touch

Won't touch

Never touch

Driving around with the toastly whip, never bust

Puffin dust like fiends

I mean I want green ya shifty

Cop the big eight fifty with the gleam

My team

Full of cut throats with enough notes to write a fuckin book

Take a good fucking look at these bad guys

Stay madd fly, madd high

In the ford expidie and I don't expect to die

On some humble shit

I am on some rumble shit

When it's on you should see the shit I come through with

If you scared by dog release the four by fours

I heard the fagot ass Don died and he shit in his draws

On the streets black good like allstate ya all fake

Just got paid but fuck it I want some more cake

Ya faith, in my hand

Now ya nervous man and drive my brains quick fast at ya service

My brother Curtis squeeze gats to celliums

I make it where you can't escape the parra bedlums

I tell some, live ya life like Puff did

I did enough biz ask any body I am rough kid

Chorus:

Black Rob We Are  
Black Rob uh-uh  
Black Rob We Are  
Black Rob uh-uh  
Black Rob We Are  
Black Rob uh-uh  
Black Rob We Are  
Black Rob

Verse Two: G-Dep

Yo, yo  
I put a finger in the air  
For the hearing impaired  
If you're hearin this fear  
Than your hearing it cleared  
Man I fuck with bod, got put on the job  
Don't question it to stars, I'ma put'em in saw  
Straight gate  
I suggest you vacate  
When I shake, they feel earthquakes in eight states  
Oh trait, off the Richter, drunk  
Off the liquor  
Shot towards you mister  
Off course it hit you hard  
It gets hard, I pick the card  
Any card any problem I'ma hit your squad  
Eyes on the shapar when I twisted god  
You think you got it all together  
Get it ripped apart  
Man you can't stand the heat  
Stay up outta the street  
Nigga turn po-lice cause they shot up his jeep  
I subtract like mad  
Don't make me blad  
So I want it all, fuck had  
Don't make me laugh  
By all means  
Get this money its all green  
It's all good  
And I wished that ya'll would  
Man fuck that, security told ya to tuck that  
Now up that, now that you see where lux at  
I got the game by the balls  
And I get all calls  
So if u play to much I put the shit on pause

Black Rob We Are  
Black Rob uh-uh  
Black Rob We Are  
Black Rob uh-uh

Black Rob We Are  
Black Rob uh-uh  
Black Rob We Are
