Yeah bitch
Where go the blaze at?
That's right, yeah

Ride with me, yeah
Walk a block with me
On the heist with me
Represent with me
Yo, ride with me
Walk a block with me
On the heist, with my heist with me
Represent, yo

When I wake up in the mornin', when I get up out of my
bed, at all times
I remain a hustler, at all times I be chasin' my bread
since this one's
For my people, I'ma make sure you heard what I said,
Daddy say
Speak loud and clearly, daddy say aim for the head, I
think we all
Too cool to lose it, I say we all stay leveled instead I say
still we tame
The hookers, I know we still eludin' them feds, we make
this one for
The Negroes, and for the Caucasians who care, they
say they
Treat us like we equal, I say they treat us like we just
don't care

When I wake up in the mornin', when I get up out my
bed
I will always be a hustler, I will always chase my bread
Since this one's for my people I'ma make sure you hear
what I said
I'm gon' speak so loud and clearly, I'm gon' aim
straight for yo head

Yo, I wake up late but still got currency, dreams,
snooze button, no I'm
Tryin' to sleep, I got bill and the ends ain't tryin' to
meet, so I'm pressed

For cash and I'm out of my league, ya' see, times ain't
the greatest
And I ain't Ali, so my hours are 9 to 5 and my job's the
street, I'm in
A low position tryin' to hope these mission Crenshaw,
when exposition
Feelin' holiday wishin' and the block West stat and the
spot, we sure
Have rallies on Manchester, Inglewood on Saturdays
turn tonight, Shade
Always been the type to show love to those whom
always doin' right

When I wake up in the mornin', when I get up out my
bed
I will always be a hustler, I will always chase my bread
Since this one's for my people I'ma make sure you hear
what I said
I'm gon' speak so loud and clearly, I'm gon' aim
straight for yo head

Yo, it don't matter where you from not knowin' not
where you been
Can't go to sleep a child expect to wake a man, yo, life
is a lesson
Niggas who don't study end up failin' test and blame it
on me but see
Sheist only gets what he claimin' to be a real quiet
motherfucka with his
Heart in the streets, hot in these beats, flow sell a lot in
a week so even
Billboard couldn't drop my highest of peaks, I'm with
the breaks so you
Knowin' what they sayin' to me, I'm impressed how
many people end up
Hatin' on me like a disease Shade hittin' wit a new
vaccine, I leave em'
Comatose fallin' asleep

When I wake up in the mornin', when I get up out my
bed
I will always be a hustler, I will always chase my bread
Since this one's for my people I'ma make sure you hear
what I said
I'm gon' speak so loud and clearly, I'm gon' aim
straight for yo head

Real talk
Real thangs
Real people
Wake up
