Da da day
Yeah Da da dada da da day
I'm on a stage-
You're here too I love you.
Yeah I wrote this song for you . . .
And that's the truth.
You know I will always be there for you.
And I hope your dreams come true.
Ohh, I can't wait to watch you.
So I rode my bicycle down to the water,
Just to see what I could see.
Then I heard the sound of a train steaming round,
All from a shell on the beach.
On the beach.

You were there for me when I was stuck.
Between a rock and a hard place,
I was down on my luck.
All your confidence and those reassuring eyes
Got me through those couple months
When I was barely alive.
Ohh, I was barely alive.

So when you need a getaway,
You've got open arms and a place to stay.
And you know that baby it's always worked that way-
'Cause you're got it all,
and you've made me strong.
Strong.

You were there for me when I was stuck.
Between a rock and a hard place,
I was down on my luck.
All your confidence and those reassuring eyes
Got me through those couple months
When I was barely alive.
Ohh, I was barely alive.
I was barely alive. Yeah.

No one's ever bought you flowers,
And ohh well that's a shame.

No one's ever bought you flowers,
But that's about to change.
No one's ever bought you flowers,
But here is your bouquet. Yeah.

You were there for me when I was stuck.
Between a rock and a hard place,
I was down on my luck.
All your confidence and those reassuring eyes
Got me through those couple months
When I was barely alive.
Ohh I was barely alive.
I was barely alive. Yeah.
