Finished with my woman 'cause she couldn't help me
with my mind
people think I'm insane because I am frowning all the
time
All day long I think of things but nothing seems to
satisfy
Think I'll lose my mind if I don't find something to
pacify

Can you help me occupy my brain?
Oh yeah

I need someone to show me the things in life that I
can't find
I can't see the things that make true happiness, I must
be blind

Make a joke and I will sigh and you will laugh and I will
cry
Happiness I cannot feel and love to me is so unreal

And so as you hear these words telling you now of my
state
I tell you to enjoy life I wish I could but it's too late
