"If You Can Say Goodbye"

Visit "[If You Can Say Goodbye](#)" on MotoLyrics.com

You sat that love's not a possession
You say that love needs fantasy
You say we must give it devotion
But you don't say that you love me

Sometimes I wonder what I'm doing
Sometimes I am cold and serious
But when you touch my body and close your eyes
My little baby I don't realize

If you can say goodbye
Baby tell me why
You don't wanna love me
Just like I do
You can say goodbye
Tell me what I've got to do

You know that I can't keep the distance
You know that I can set you free
I know you like to show resistance
But baby I don't know if you love me

Sometimes I wonder why I love you
Sometimes I think you're dangerous
But when you touch my body and close your eyes
My little baby I don't realize
