Like a shell becomes empty as it's host desire to retire
Is dragging him down, dragging him down beyond
reality

No love - No life - No understanding
I'm lost - I die - Will I rise from the ashes?

Genesis (2002) The start of a new world

The clock is ticking backwards for me now...

Is a metamorphosis so deep your world falls apart
Do I belong, do I belong here? It's obsessing me

No love - No life - No understanding
I'm lost - I die - Will I rise from the ashes?

Genesis (2002) The start of a new world
GE-NE-SIS, are you ready for it?

No love - No life - No understanding
I lost - I died - Will I rise from the ashes?

Genesis (2002) The start of a new world
GE-NE-SIS, are you ready for it?
GE-NE-SIS...
