I dream a sunshine faded
Losing, lost all the time
Memories are floating endless
Time escapes me

No more sunshine in your heaven
Angel eyes are empty and
Everything turns to grey
No more sunshine in your heaven
Angels wings have folded as
Everything fades away

Visions I'm holding onto
So much pain in our world
Fading into forever
Sunshine's slipping away

No more sunshine in your heaven
Angel eyes are empty and
Everything turns to grey
No more sunshine in your heaven
Angels wings have folded as
Everything fades away

Oh, oh...

Life just faded away
Life just faded away
Life just faded away

No more sunshine in your heaven
Angel eyes are empty and
Everything turns to grey
No more sunshine in your heaven
Angels wings have folded as
Everything fades away

Life, it fades
Life, it fades

Oh...

Away, away
Yeah
