Backroom banditos, crucifixion put off for the next 10  
Minutes. Jesus Gil emerges from the boardroom, visibly  
Broken, sweat pouring down his face, or so you think...

Athletico must conquer the mighty Real's stranglehold  
Athletico must be ready to take over the mantle

Jesus Gil once said of his supporters: "They're a bunch  
Of  
Layabouts from the lower classes. A member who  
doesn't  
Have a drug addict in the family, will probably have a  
Prostitute."

Still regaining 60% of support from the supporter.  
Jesus Gil.  
Jesus Gil, scored the highest rankings from the highest  
Meddling and bankings. Underhanded operations were  
his  
Forte. Overhead wans tae.

He never hit the crossbar, he never hit the posts,  
Straight in  
The goal. The Bank of Spain is cancer.

"GOAL"  
... to Jesus Gil.

The Bank of Spain - cancer.

He was the guy that put the supporter behind him and  
Had  
The supporters with him all the way. Horrible, sweaty,  
Size-  
Mobile.  
Gargantuan guy that naebody liked. Athletico must get  
Ahead  
Of Real.  
Jesus Gil.
