[Dogmatic]

O.K. children, are you ready? (yes)

Oh, that's just my dad, when I talk shit he gets mad
(arrgh)

I took his .44 mag, I put that mag in my bag

Took it to school, so I can blast all you faggots (arcade

I think my teacher's on rag, cause when I'm in class

All that bitch do is just nag

Kevin do that, Kevin do this

I do what I wanna do, slut suck my dick!

I can school skip

I can put weed to my lips

I can pop E and take trips

I can flip scripts

Smack all the girls on they hips

Dress like a blood and yell, CRIP!

Steal daddy's Remy and take sips

Drink on the back of the porch and break shit

Break all the windows in dad's car and dip

Fuck stealing keys, ignitions get ripped

[Chorus]

[Proof] Kevin, go clean your room

[Dogma] No, I won't clean my room

[Proof] Do what I'll tell you to

[Dogma] I do what I wanna do

Tshawn, you will go to school

[Proof] No, I won't go to school

[Dogma] Do what I tell you to

[Proof] I do what I wanna do

Kevin, you sniffin' glue?

[Dogma] Yea, you should sniff it to

[Proof] Do what I'll tell you to

[Dogma] I do what I wanna do

Tshawn, are you taking shrooms?

[Proof] I really like them shrooms

[Dogma] Do what I tell you to

[Proof] I do what I wanna do

[Proof]

What am I grounded for?
Tell me one good reason
Moms is a dirty whore
Twice she been caught cheatin'
Why should I go to school?
You never went to school
Beating me with a broom
Just coz I bent the rules
I hate mom and dad, making me so sad
(Tshawn, clean up your room now!) No fag
No batch, so sad thinkin I'll mind you
Wanna kill you and hide you
Where nobody can find you
Time to curse you, for giving me curfew
Every time that you beat me
'Till my body purple
No, I won't listen mom
Why don't you shut your mouth?
School I've been missing out
Kids trying to punk me out
What I learn manners for?
Maybe you raised me wrong
All kids that graze me wrong
Get crazy play this song
Then can I have some friends
Make me come in to play

Dad always touch my skin

Now I'ma run away

[Dogma] Tshawn, you will go to school

[Proof] No, I won't go to school

[Dogma] Do what I tell you to

[Proof] I do what I wanna do

Kevin, go clean your room

[Dogma] No, I won't clean my room

[Proof] Do what I'll tell you to

[Dogma] I do what I wanna do

Tshawn, are you taking shrooms?

[Proof] I really like them shrooms

[Dogma] Do what I tell you to

[Proof] I do what I wanna do

Kevin, you sniffin' glue?

[Dogma] So, what that if I do?

[Proof] Do what I'll tell you to

[Dogma] I do what I wanna do

(Kids singing 12x)

Do what I wanna, what I wanna
