[Intro: Dogmatic]

Ecstasy, ecstasy

You and me, she's a bad bad girl

[Dogmatic]

When I first took you out my dog told me

ONE HALF of ya love was all I could take

and maybe not to hang wit you (uh huh)

But I did it anyway, it was like I was dreamin'

damn near had a nigga creamin'

You a bad girl, that make me feel so good

Good times when I'm ridin' through the hood

But is it real?

You make my wack life seem nice

But it's only when I'm hangin' wit you, it seems like

That it's alright not to fight

Ain't no violent activities, not tonight

We just chillin' for some reason I don't wanna buck

Ecstasy keep tantilizin' me the fuck

She freak and she flirt wit'a everytime

But if I don't somebody else will, I don't mind

She so live that sharin' her ain't a bother

All we need to get her started is a bottle water

And it's on

[Chorus: females singing - repeat 2X]

Baby, why do you feel so good to me?

Put a hump in my back when ya lovin' me

Is that why they call you ecstasy, ecstasy

[Proof]

You know how violent I be

High off Tylenol three

Flyin' for free

But plans of dyin' off E

Vitamin C, Vicks, inhalers

Trips to Vegas, spit to haters

Tell yo bitch to wait up

Teeth grindin', zonin', eyes wide

Sippin' OJ moanin' "My mind fried"

Game spittin', tryna fuck a slut

Off two and a half and some ass

(hey) Bust a nut

One more ("Proof No!!")

But she make me so truthful and useful

Your beautiful let's get ya body uncovered

But first I gotta call my mother

and tell her I love her

I'm not a addict I can stop whenever

But every since I met her yo my life been better

Don't worry about them grudges girl

But you don't make me wanna fuck

you make me wanna love this world

Ecstasy

[Chorus] - repeat 2X

[Bizarre]

Ha

It's four in the mournin'

Bizarre's feelin' nice

Got two pills for my man Obie Trice (what up Obie)

I'm on the freeway, bobbin' and weavin' (wooooo!!)

Got me smilin' for no reason (haha!!)

L.I., bitch up in the ride

So you can get FUCKED raw behind the giant slide (uh)

Tonight, Bizarre done took about eight

(Oh, you smokin' this weed?)

Nah nigga, I'm straight

They say the X be fuckin' wit the spine

But fuck that it make Bizarre nut 17 times (don't give a fuck)

Bitch before I popped this pill I had no friends

Now I got more game than Pimpin' Ken

Go home, I stay at the club

cuz momma don't wanna see her little boy on drugs

And hell naw I ain't no drug addict

Bitch POP this pill, and fuck Dogmatic (whore)

[Female - repeat 6X]

Ecstasy

[Chorus] - repeat 2X
