Mortal coil!  
Suck  
Down  
Out of control  
Cowards can not escape the Spiral!

Kaleidoscopic thought reveals the consequence

Collective consciousness  
Embracing ignorance  
Walking dead  
Distract them  
Interrupt the pattern  
Devastating the senses  
Numbing the soul of sheeply people

Only hearing what they want to hear  
Only seeing what they wish to see  
Out of touch with reality

Follow me  
To the edge  
Ready to fall  
To your end  
Inside my soul fragments collect  
They fuel my rage  
As you forget I remember  
Everything you ever did to me

Only hearing what they want to hear  
Only seeing what they wish to see

I speak in silence

Incoherent mental babbling  
Must be nonsense

I speak in silence

Invisible walls  
Raised with neglect

Weaken  
Collapsing

Unwanted memory

Breaks through  
Unwanted memory  
Tortured into insanity

This is my revenge

Falling down out of control

The mental world collapsing

Ignorance future death  
Who are we to give a fuck?

Unwanted memory  
Tortured into insanity

This is my revenge  
Give in to the end  
This is my revenge

Mortal coil!  
Mortal coil!  
Suck  
Down  
Out of control

Avoidance denial  
Cowards can not escape the Spiral!

No sympathy for the dead  
This is my revenge

What do you have to fear?  
That which you can not see  
I will release you  
In to insanity

What do you have to fear  
That which you can not see  
I will release you  
In to insanity

Mortal coil!  
Mortal coil!  
Suck  
Down

Out of control  
Avoidance denial  
Cowards can not escape the Spiral!
