This deviant distraction
I am the mother of abominations!

My name is secrecy

Truth unseen
Human Meta4 Blasphemy

Fire in my eyes
Fire sinner lies
Fire this prison flesh
Souls see the disguise

Internal self destruction!
I am the mother of abominations!
I am the mother of abominations!

Feeding the beast withIN
Monster born from sin
Tearing apart, the inside OUT.
I am the mother of abominations!

Share blood with the beast
Sacred whore disguised
Inside my illusion
Atrocity will set you free!

Internal self destruction!
I am the mother of abominations!

Mother=Matter
Bless'd prison flesh
Mother=Matter
Fire is the beast within

Feeding the beast withIN
Monster born from sin
Tearing apart, the inside OUT.
I am the mother of abominations!

Share blood with the beast

Sacred whore disguised
Inside my illusion
Atrocity will set you free!
