I'm trippin' man, I can't feel that chimp!

Yes yes y'all and I don't stop

What!

Listen to my sound

OOOOHH!

Listen to my sound

Oooooo-hooo-hooo-hooooooooo...

Oh-oh-oh-ohooooo...

Which one of us is to blame when the YOUR LOVE IS  
GONEEE!

GONEEE! (2X)

OOOOHH!

YOUR LOVE IS GONEEE!

GONEEE! (2X)

I'm trippin' man, I can't feel that chimp!

Where's the love y'all?

Where's the truth y'all?

Damn fools got to admit it, that the LOVE IS GONEEE!

Listen to my sound

OOOOHH!

Listen to my sound

Which one of us is to blame

Damn fools got to admit it

Oooooo-hooo-hooo-hooooooooo... Oh!

YOUR LOVE IS GONEEE!

GONEEE! (2X)

I'm trippin' man (2X)

I'm trippin' man, I can't see that chimp!

I'm trippin' man, I can't feel that chimp!

(2X)

WHAT!

Ma automatic pistol remote controls!

I'm trippin' man, I can't see that chimp!

I'm trippin' man, I can't feel that chimp!

WHAT!

Little mind

The other groove

Another move

And they be faking

(2X)

So all the styles I'll be making...

Ma automatic pistol remote controls!

WHAT!

Da-da-da-da... (?X)

God damn...

Da-da-da-da... (?X)

YOUR LOVE IS

Da-da-da-da... (?X)

GONEEE!

Da-da-da-da... (?X)

WHAT!

Freeze it!

That's it!

No more battling!

You've been taken out!

I never fake it, just slam it

It's time I get props, kid

So fuck the bullshit, I'm out

'Cos if I stay I'll go crazy
