I see red liquid down my hand  
Where it came I don't understand  
I feel it slipping out from me  
Life and what will be

I see demons clustering round me  
I don't know why this is happening  
I trusted you with all my heart  
And you tore me apart

It's coming through me  
I'm bleedin, can't you see  
It's coming through me  
This knife in my back  
That you put in me

You gave lies and fed them to me  
You told me that we would always be  
Then you stabbed me in the back  
What did you have to gain?

I am dying internally and out  
I am fading away to nothingness now  
I don't know where I can go from here  
So please just tell me why?

It's coming through me  
I'm bleedin, can't you see  
It's coming through me  
This knife in my back  
That you put in me

Trust  
Love  
Hate  
Breaking apart

Trust  
Love  
Hate  
Breaking apart

I thought I saw somethin true  
I guess I was absolutely wrong about you  
Why did you stab me so I  
Loved you till the end

Friends, family, all clutter around  
To put me in my grave set in the ground  
And I know that you were the one  
Who did this to me

It's coming through me  
I'm bleedin, can't you see  
It's coming through me  
This knife in my back  
That you put in me

It's coming through me  
I'm bleedin, can't you see  
It's coming through me  
This knife in my back  
That you put in me

This knife in me  
This knife in me  
This knife in me  
In my back

This knife in me  
This knife in me  
This knife in me  
In my back

This knife...in...me
