Sitting all alone
Never had a friend to call my own
I never really cared
I never saw the golden door of hope
My life isn't worth shit
No one gives a fuck about my safety now
Why should i keep on with this?
I can't find a reason to turn my life around

If someone could
Take me away
From my misery
And my lonely pain
Could someone turn
My life around
Please help me god
I don't wanna die

My last cry
For someone to come
My last cry
For love and affection
My last cry
To stand tall and true
My last cry
To be one of you

I'm tired of this path
Fucking up every day and every night
Why can't i be loved?
Everyone around me points and laughs
Why am i falling down?
I'm a loser crying a tear-filled bloody bath
Where is my ray of hope?
God said he'd come, but still i sit and mope

If someone could
Take me away
From my misery
And my lonely pain
Could someone turn

My life around
Please help me god
I don't wanna die

My last cry
For someone to come
My last cry
For love and affection
My last cry
To stand tall and true
My last cry
To be one of you

So please
Don't turn away
From me
Don't turn your back
On me
Don't turn your back
Don't turn your back
On me

No!
Don't go!
No!
Don't go!
No!
Don't go!
No!
Don't go!

If someone could
Take me away
From my misery
And my lonely pain
Could someone turn
My life around
Please help me god
I don't wanna die

My last cry
For someone to come
My last cry
For love and affection
My last cry
To stand tall and true
My last cry
To be one of you

My last cry
To rise above my fate

My last cry
To not be born to die
My last cry
To be remembered as a great
My last cry
So please tell me why?

Why?
Why?
Why?
