I can't believe  
What I'm seeing on my T.V.

We've got the Boys II Men  
In matching outfits  
And they pretend  
They love units more than I can stand  
Stop...

There's people watin' backstage for the interview  
Same as last year, nothin' new

Take me to your leader  
I'd like to have a few words with him

Mariah Carey (won't ya)  
Take a bow  
Before you take your seat  
What you do is kinda neat  
but it's too much for me  
Wait...

Shaniah's gonna get it next year  
Shaniah's gonna get it next year

(Everything but the last year...)
