"The Flow"

Here comes the flow
Let's watch 'em go
Here comes the flow
Let's watch 'em go down
The river
We're on time now
Won't look at you twice
Just wait for me

Don't get lost out at sea
Don't get lost out at sea

Here come the tricks
And the fancy outfits
Budweiser lids
Let's watch 'em do their thing
We're on top now
Won't look at you twice
Don't wait for me

Don't lose your shirt on account of me
Don't lose your shirt on account of me

Don't lose your shirt on account of me
Don't lose your shirt on account of me
