I'm a fountain of blood (my love)  
In the shape of a girl  
You're bird on the brin (my love)  
Hypnotized by the whirl

Drink me - make me real (my love)  
Wet your beak in the stream  
The game we're playing is life (my love)  
Love is a two way dream

Leave me now - return tonight  
The tide will show you the way  
Forget my name go astray  
Killer whale trapped in a bay  
(the ocean miles away)

I'm a path of cinders (my love)  
Burning under your feet  
You're the one who walks me (my love)  
I'm your one way street

I'm a tree that grows hearts (my love)  
One for each that you take  
You're the ground I feed on (my love)  
We're circle no one can break  
Leave me now - return tonight  
The tide will show you the way  
Forget my name go astray  
Killer whale trapped in a bay  
(the ocean miles away)

I'm a whisper in water (my love)  
A secret for you to hear  
You are the one who grows distant (my love)  
When I beckon you near

Life is a necklace of fears (my love)  
A secret for you to hear  
Our love will unite them - come here (my love)  
Loving me is the easiest thing
