I wish: I want to stay here  
I wish: this be enough  
I wish: I only love you  
I wish: simplicity

Look at the speed out there  
It magnetizes me to it  
And I have no fear  
Im only into this to

Enjoy, enjoy, enjoy, enjoy.

I wish Id only look  
And didnt have to touch  
I wish Id only smell this  
And didnt have to taste  
How can I ignore?  
This is sex without touching  
Im going to explore  
Im only into this to

Enjoy, enjoy, enjoy, enjoy.
