Björk :

I miss you
But I haven't met you yet
You are gorgeous
But it hasn't happened yet
You are gorgeous
But I haven't met you yet
I remember
But it hasn't happened yet
So special
But it hasn't happened yet
And if you believe in dreams
Or what is more important
That a dream can come true
I will meet you
I was peaking
But it hasn't happened yet
I haven't been giving
My best souvenir
I miss you
But I haven't met you yet
I know your habits
But wouldn't recognize you yet
And if you believe in dreams
Or what is more important
That a dream can come true
I, I, I, I miss you

Rodney P :

I had a dream that I was missing you indeed
And if I miss you then you know that I'll be there with
speed
I got that mister cool vibe for your mind, believe
I've never seen you but I've seen you've got the vibes I
need
That's why I miss you, try to dismiss you, from my mind
Only for people often miss you but I seek to find
You gotta send me an emotion or a sign
Cause even though when all things must reveal in time
Still I miss you
Björk :

Miss you

I get so impatient
I can't stand the wait
When will I get my cuddle
Who are you?
I know by now that you'll arrive
By the time I stop waiting
Aaaaahhhhhh Miss you
I miss you
So I miss you
I miss you
....
I miss you, miss you, miss you
...
I miss you....miss you
