Björk  
I've seen it all  
I have seen the trees  
I have seen the willow leaves  
Dancing in the breeze

Yorke  
I've seen a man killed  
By his best friend,  
And lives that were over  
Before they were spent.

Björk & yorke  
I've seen what i was  
And i know what i'll be  
I've seen it all  
There is no more to see

Björk  
You haven't seen elephants  
Kings or peru

Yorke  
I'm happy to say  
I had better to do

Björk  
What about china?  
Have you seen the great wall?

Yorke  
All walls are great  
If the roof doesn't fall  
And the man you will marry  
The home you will share

Björk  
To be honest  
I really don't care

[gibberish]

Yorke  
You've never been  
To niagara falls

Bj?rk  
I have seen water  
It's water, that's all

Yorke  
The eiffel tower  
The empire state

Bj?rk  
My pulse was as high  
On my very first date

Yorke  
And your grandson's hand  
As he plays with your hair

Bj?rk  
To be honest  
I really don't care

[gibberish]

Bj?rk & yorke  
I've seen it all  
I've seen the dark  
I've seen the brightness  
In one little spark  
I've seen what i chose  
And i've seen what i need  
And that is enough  
To want more would be greed  
I've seen what i was  
And i know what i'll be  
I've seen it all  
There is no more to see

Yorke  
You've seen it all  
And all you have seen  
You can always review on  
Your own little screen  
The light and the dark  
The big and the small  
Just keep in mind  
You need no more at all

Björk & yorke  
You've seen what you were  
And know what you'll be  
You've seen it all  
There is no more to see

[gibberish]
