Your drunk punch fell through the door
I'm getting dizzy then I hit the floor
I stand up
I take some more
With any luck I hope that no one saw
Another night
I'm gonna get some action
Got a feeling these are mixed up times
Cos tonight there is a strange connection
Another shot down got my new distraction
Love is my drug
It's addiction saved me
I can't get enough of the stuff you gave me
Overdose
I'm feeling comatose
Love is my drug
It's a gift you gave me
I'm coming up on a high you gave me
Every time I'm feeling satisfied
I'm coming up
My girl doesn't come for free
I gotta pay for her to be with me
Late night I start to crave
A real bad habit on a premium rate
Another night
I'm gonna get some action
Got a feeling these are mixed up times
Cos tonight there is a strange connection
Another shot down got my new distraction
Love is my drug
It's addiction saved me
I can't get enough of the stuff you gave me
Overdose
I'm feeling comatose
Love is my drug
It's a gift you gave me
I'm coming up on a high you gave me
Every time I'm feeling satisfied
I'm coming up
I can't get to sleep
You got me shaking

Because your love's my drug
It's my self infliction
Love is my drug
It's addiction saved me
I can't get enough of the stuff you gave me
Overdose
I'm feeling comatose
Love is my drug
It's a gift you gave me
I'm coming up on a high you gave me
Every time I'm feeling satisfied
I'm coming up
