You keep all that i give,
I've got nothing more here
Im all out
You save every last breath,
I've got nothing more here
I'm all out

(Bridge)
So can you let me know
When will you let it show
Im only human
I'm only useless inside

(Chorus)
But i can't try
I can only cry
I'm sick of feeling needed
No i can't try
I can only cry
I'm sick of feeling needed

You keep on pushing me
I'll always disappoint you
I'm all out
So release your hands from my heart
Time can heal these wounds
Coz i'm all out

(Bridge)
So can you let me know
When will you let it show
I'm only human
I'm only useless inside

(Chorus x 3)
But i can't try
I can only cry
I'm sick of feeling needed
