Now I know I was mad to think that you were mine.
How will I ever find somebody beautiful?
And this is the thought that I've been tryin' to hide.
Cus you waisted all my time, that's when I knew...
That all the feeling I'd like to share.
I love the tangle that's in your hair.
I see you now, but I can't have you.

So I won't try to touch you.
I won't undress you with my eyes, no more.
Cus she won't want me to.
And I won't try to hold you.
No more fingertips and perfect skin, no more.
Cus she won't want me to.
So where's the pleasure with you?

You killed me inside and you've left me here to die.
Why, oh why, I'll never find somebody new,
With all the feeling I'd like to share.
I love the tangle that's in your hair.
I see you now, but I can't have you.

So I won't try to touch you.
I won't undress you with my eyes, no more.
Cus she won't want me to.
And I won't try to hold you.
No more fingertips and perfect skin, no more.
Cus she won't want me to.
So where's the pleasure with you?

If there's a chance you'd know im there.
I'd tear my soul without a care.
I see you now, but I can't have you.

So I won't try to touch you.
I won't undress you with my eyes, no more.
Cus she won't want me to.
And I won't try to hold you.
No more fingertips and perfect skin, no more.
Cus she won't want me to.
So where's the pleasure with you?
