The kids today
The people today, the people today
It's the people's way
We'll lock you in thge closet
Till you know the lone
Bringing your friend to your favorite spot
Bringing your freidn to knock ...
His head off, his life down
Burning love it's holy head
His head off, his life down
Hands raised high
You scream
I am Satan - you lie
I am God - you cry
I am Satan - you die
Hard long road to keep
Time in control
Breathe hard, one lonely wish
The kids from Hell raise their fists
Bringing your friend to your favorite spot,
Bringing your friend to knock
Locked in a closet to be alone
Locked in a closet so they won't know
Light the wicks chalk on the ground
Stary eyed kids won't take a risk
Light the wicks chalk on the ground
The kids from Hell raise your fist
I am Satan - you lie
I am God - You cry
I am Satan - you die
