(Good evening ladies and gentlemen I'm Lance  
Goodthrust  
Here at KWXYZ and we're here with another exciting  
Boxing match In the blue corner we have MC Wystyk  
from  
Psyche Origami and in the red corner we have our  
Challenger lets go up to the ring and experience some  
Good clean boxing action it should be a good one  
enjoy  
Yourselves round 1)

(Refrain)

Yo, we keep swining' 'till you've had enough and right  
Before the bell sounds hit you with another uppercut  
We keep swining' 'till you've had enough and right  
Before the bell sounds hit you with another uppercut  
We keep swining' 'till you've had enough and right  
Before the bell sounds hit you with another uppercut  
We keep swining' 'till you've had enough and right  
Before the bell sounds hit you with another uppercut

(Verse)

It's open season on optimists with open pocket wisdom  
And closed caption for activists banking on cataclysm  
I'm spanking this crack money with paddles with holes  
In 'em 'till his belief system is frayed like old denim  
Desperately seeking circles with no police in 'em but  
It's all because the streets keep eating the same  
Rhythm ask me about your man I told you I can't feel  
'Em he's like a flaky pastry with manure filling  
That's why you catch me at the Bounce (why) they give  
Me stupid stares like I pulled down my pants and had  
Braded pubic hairs  
So put your hands up and guard your eyes from the  
glare  
Psyche O will bring the juice like electric chairs  
Come along for the ride or you can catch us there but  
You best arrive quick 'cause you never know where you  
Might end up when the brain stretches to the point  
when  
Things are far-fetched like having no arms and doing

Chin ups or having ten nuts and walking with a severe  
Limp that's kinda cool 'cause it looks like a pimp  
Strut  
(Refrain)

(And at the end of round one we have Wystyk leading  
ten  
Points to eight points he didn't really seem like he  
Was putting up much of a fight there his punch stats  
Were very low maybe around 18 percent lets see round  
2)

(Verse)  
We keep it off the beaten path off the road like four  
Wheelers officially four feelers and that floor to the  
Ceiling shit we killin it and it's about time not to  
Take ownership because it's yours to find (that's  
Right)  
Multiplying faster than exponents of nine opponents

Design escape routes when they find out their Armor  
Alls gone and they're all shined out hit 'em right  
Below the chin and make 'em scream time out  
With undertones darker than the Guinness spout a  
[taddy  
Porter] we keep your brain distorted like a broken tape  
Recorder stay organized like I'm on a token torter with  
Two quarters fallin' all the [not sure] to disorder  
Synthesys and Dave Matter be the mortar between the  
Bricks that make this style stick like adhesive stamps  
So when the beast advance you might at least get your  
Chance to bring the pain like jagged edge nipple  
clamps  
(Refrain)

(And after three rounds seems to be an evenly  
matched  
Bout with our challenger having 18 points and Wystyk  
Having 20 points lets see how things go in round three  
Slight intermission here take it to our sponsors)

(Look at that fella big burly opponent left right left  
Right)  
(When I'm swinging I'm landing)

(And thank you everyone for keeping your dial locked  
Here round 4)

(Verse)  
We keep it at the point where the balloon is being  
Pierced with a pen at the point of passing out in the

Opium den with a pen scribbling your last thoughts  
Before you drift off into deep [grim] with saliva  
Dripping down your chin  
So grab a napkin before walls start collapsing and  
Falling in on this labyrinth that you're trapped in  
The worst things happen during momentary lapses of  
Ration of objective thought when the brains caught  
Between doing what you're feeling right and doing  
what  
You want  
Sittin around playing games and haven't time to front  
Slappin on the plastic and stabbin us is nut raw  
Because it isn't enough to keep the cock to a jar  
It's dangerous to give Syn dap with his crab claws and  
Even more so to play with Dave's circular saw  
searching  
For flaws is only permitted when you seeing if we're  
Staying in the boundaries of copyright laws that's why  
We  
(Refrain)

(And thank you ladies and gentlemen it has been  
another  
Exciting night of boxing action here on KWYZ with our  
Winner by technical knockout MC Wystyk and a thank  
our  
Sponsors DJ Synthesys and DJ Danger for a chiming in  
With our commercial messages we'll see you next time  
Take care of yourselves)
