Here my hands are tied to you
Forever and ever I'm stuck with you

I can't play now
'Cause the stars are out and so cool
And I can't go home
On my wall now
There's not a space for you

Here I turn and burn all night
Within there's a river and it roars and it screams
It rages with lust and fear and time
I'm stuck with you and I can't explain

I can't play now
'Cause the stars are out and so cool
And I can't go home
On my wall now
There's not a space for you

Now I whisper the words of truth
I'm stuck with you and it fucks me up

I can't play now
'Cause the stars are out and so cool
And I can't go home
On my wall now
There's not a space for you
