Smashing, always forward  
Leave nothing in your path  
Shortsighted and indifferent  
To what lies ahead

Reckless abandon (chasing your tail)  
Blinding ambition (you learn to fail)

Winning a race  
No one else began  
No rest for the wicked  
Winter calls again

Crawling gagging (chasing your tail)  
Battered and bleeding (you learn to fail)

Rip it up and tear it down  
It weighs heavy on my soul.  
Rip it up and tear it down  
It weighs heavy on my soul.

Confront the stranger  
Staring back at you  
Twisted reflection  
In the looking glass

Reckless abandon (chasing your tail)  
Blinding ambition (you learn to fail)

Winning a race  
No one else began  
No rest for the wicked  
Winter calls again

Crawling gagging (chasing your tail)  
Battered and bleeding (you learn to fail)

Rip it up and tear it down  
It weighs heavy on my soul.  
Rip it up and tear it down  
It weighs heavy on my soul.

TEAR IT OUT!!!  
How could you let it fall?  
The strain of the climb leaves you empty!
