Choking in the grip of suspicion
Trapped beneath the sword of absolution

Escape is impossible,
Indulge yourself in ignorance

Blocking out the sun, turning in the breeze
Hung high above in a noose of sympathy

What has become?
The seeds I've sown
Still haunting me endlessly

Escape is impossible
Indulge yourself in ignorance

What has become?
The seeds I've sown
While haunting me endlessly
Thy will be done
All I've been shown
Is still haunting me endlessly

Escape is impossible
Indulge yourself in ignorance

Choking in the grip of suspicion
Trapped beneath the sword of absolution

Through the souls of ages
This deceitful elevation
Collapsing into rages
From corrupted meditations

What has become?
The seeds I've sown
While haunting me endlessly
Thy will be done
All I've been shown
Is still haunting me endlessly

Indulge in the pleasures of the fallen
Give yourself away
