Intimidation, I stand before you now  
Hold my crown, you won't strike me down  
A validation of all the blood I spill  
Survival of my will

(Pre Chorus)

There's nothing left to say  
Yourself you have betrayed  
We must try to seize the day

(Chorus)

All the world will hear you  
Our voices can't be bound  
All the world will hear you  
Redemption in the power of the sound

(2nd Verse)

Interpretation of all the thoughts I share  
Draw you near, creating all your fear  
A brand new nation for those who perservere

The future is so clear

There's nothing left to say  
Yourself you have betrayed  
We must try to seize the day

All the world will hear you  
Our voices can't be bound  
All the world will hear you  
Redemption in the power of the sound

Sound...the Sound!

(Guitar Solo)

A validation of all the blood I spilled  
A validation  
All your blood spilt

All the world will hear you  
Our voices can't be bound  
All the world will hear you

Redemption in the power of the sound
