"Not In My Time"

Over again over again over again.
Failing the living failing the dying.
Sons and daughters, going under on the alter.
Let's just bag it let's just bag it,
Nobody cares anymore.
Over again over again over again.
Close your eyes now,
Close your eyes now,
Nothing seen nothing felt.
Sons and daughters,
Going under on the alter.
Let's just bag it,
Let's just bag it,
Nobody cares anymore.
Scorching the ground.
Fooling the living.
Baring their bones.
Not in my name.
Scorching the ground.
Fooling the living.
Baring their bones.
Not in my name.
Blood on the ground.
Killing resistance.
Scorching their bones.
Not in my time.
