We wait in gathering shadows  
Your world is coming to an end  
We vow to take no prisoners  
Our prize is your imminent demise  
(Dual solo)

Ancient visions of past  
Unite against the light  
Lies vomited forth  
Blaspheme the trinity  
Hypocritical dogma  
Holy swine supplicating  
Strangled by rosaries  
Drowned in holy water  
Hung on barbed wire  
Displayed for all  
Ocular extraction  
Blinded, they now see  
Enthroned in darkness  
All enemies vanquished  
Temples topple down  
Holy relics crumble  
Sacred statues crushed  
Screams replace prayers  
Former celestial hymns  
Now choirs of the dead  
Stained glass windows  
Bloodied and shattered  
Sacred scriptures burned  
Blackened prophecies  
Are now fulfilled  
New order established  
Enthroned in darkness  
All enemies vanquished  
(Solo: Oster)  
No longer blighted  
Supremacy now restored  
Silenced by slashing  
Lay quivering corpses  
Malignant hollow promises  
Crushed under foot  
Transcend time and history

Arrogance not tolerated  
Immolation of new heretics  
Mourned by the wind  
Soon to be enslaved  
Our world divine  
Driven by fury  
Filth is exterminated  
Our victory is complete  
Bow to your masters
