Theres no stopping me, though everybody tries  
It's a one track course, labeled a destiny to shine  
No motherfucker best get in my path  
My hands, your neck, bitch, do the math  
I be stompin, rompin, rumbling through  
Leavin' piles of bodies behind me like the bird flu  
Juggalos slappin face off, no question  
Whippin through these hoes with harmful intentions  
They call me Sewer Dweller, cause I live in the shit  
Deep in the dirt, and far down beneath it  
But it's time for us to rise, every full moon's eve  
And servin' you fools with the Headless Boogie  
Possessed by the Carnival, speakin' in tounges  
Usin' human leg bones to beat my voodoo drums  
And the shit don't stop til the morning sun  
I make it happen, motherfucker, for Juggalo Love

[Chorus:]

I make it HAPPEN!  
With no questions asked  
I make it HAPPEN!  
Like it's my only task  
I'm sick of the truth  
And I'm sick of the lies  
It's about to happen, NOW  
JUGGALOS, ALRIGHT!  
I make it HAPPEN!  
Since the day of my birth  
I make it HAPPEN!  
For all it's worth  
I'm sick of the truth  
And I'm sick of the lies  
It's about to happen, NOW  
JUGGALOS, ALRIGHT!

It's all bad, no good, comin' out your mouth  
I'm gonna rip your jaw off and cut your tongue out  
You's venomous fucker, slitherin' bitch  
Nuttin you can say, nuttin can stop this death wish  
Now you runnin' from the script, and beat down with  
the hatchet  
Cause you see the majors claimin' and you can't seem

to catch it  
But it's just out your reach, you're never gonna grab it  
Stupid motherfucker, bitin' is for faggots  
Your lightbulb popped, and your spotlight broke  
You got dragged through the mud, now your name is a  
joke  
You can kiss my ass, first off this, faggot  
Don't forget to fuck the fuck off, second  
Ain't no time machines here, pal, you're fucked  
Your momma should've taught you how to keep your  
mouth shut  
If it wasn't for bad, you'd have no luck  
I make it happen, motherfucker, get off my nuts

[Chorus:]

I make it HAPPEN!  
With no questions asked  
I make it HAPPEN!  
Like it's my only task  
I'm sick of the truth  
And I'm sick of the lies  
It's about to happen, NOW  
JUGGALOS, ALRIGHT!  
I make it HAPPEN!  
Since the day of my birth  
I make it HAPPEN!  
For all it's worth  
I'm sick of the truth  
And I'm sick of the lies  
It's about to happen, NOW  
JUGGALOS, ALRIGHT!

Where my hatchet-swingers?(HERE!)  
Where my hatchet-swingers?(HERE!)  
Where my hatchet-swingers?(HERE!)  
I can't here you, yo, where my hatchet-swingers?  
(RIGHT HERE!)  
Where my hatchet-swingers?(HERE!)  
Where my hatchet-swingers?(HERE!)  
Where my hatchet-swingers?(HERE!)  
I can't here you, yo, where my hatchet-swingers?  
(RIGHT HERE!)

When the hatchet attacks, it's known to split backs  
Runnin' rabid through your hood like a rabid  
Hulkamaniac  
In the blink off an eye, we get the bitch slappin'  
Ain't no time for fuckin' around, we make it happen

[Chorus:]

I make it HAPPEN!

With no questions asked  
I make it HAPPEN!  
Like it's my only task  
I'm sick of the truth  
And I'm sick of the lies  
It's about to happen, NOW  
JUGGALOS, ALRIGHT!  
I make it HAPPEN!  
Since the day of my birth  
I make it HAPPEN!  
For all it's worth  
I'm sick of the truth  
And I'm sick of the lies  
It's about to happen, NOW  
JUGGALOS, ALRIGHT!

HAPPEN![x3]  
NOW, ALRIGHT!  
Happen![x3]  
NOW, ALRIGHT!

Oh my God, are you going to let me die like this?
