I'll be Missing You - Puff Daddy

Yeah, this right here goes out to everyone who's lost
someone that they
truly loved....
Check it out....

Seems like yesterday we used to rock the show
I lace the track you lock the flow
So far from hanging on the block of dough
Notorious they got to know that
Life ain't always as they seem to be
Words can't express what you mean to me
Even though you're gone
We still a team
Through your family I'll fulfill your dreams

In the future can't wait to see
If you'll open up the gates for me
Reminice sometime
The night they took my friend
Try to black it out but it plays again
When it's weird feelin' it's really hard to conceal
Can't imagine all the pain I feel
Give everything to hear half your breath
I know you still livin' your life after death

It's kind of hard wit' you not around
Know you're in heaven smilin' down
Watchin' us while we pray for you
Everyday we pray for you
'Till the day we meet again
In my heart is where I keep you friend
Memories give me the strength I need to proceed
The Strength I need to believe
My thoughts big I just can't define
Wish I could turn back the hands of time
Bust in the 6
Shop for new clothes and kicks
You and me taking flicks
Making hits stages they receive you on

Still can't believe you're gone
Give anything to hear half your breath
I know you still livin' your life after death

{{{Every night I pray
Every step I take
Every move I make
Every single day

Every night I pray
Every step I take
Every move I make
Every single day

Every night I pray
Every step I take
Every move I make
Every single day

Every night I pray
Every step I take
Every move I make
Every single day}}}}

Every step I take
Every move I make
Every single day
Every time I pray
I'll be missing you
