"Peace"

I'm not your Buddha
I'm not your guru
But anyway I like yoga

I'm not your Jesus
I'm not your heaven above
But anyway I believe in God

So I said "Try!"
Try to separate my mind
Try to find something good in life
Just try it better
'Cause you are able to live your life easy

So I said "Peace!"
It's runnin' through your head
So I said "Peace!"
It's fillin' up your veins
So I said "Peace!"
Don't wanna live up hard
Don't wanna live the second life
Don't wanna take away your life

So I said "Peace!"

I'm not your heaven
I'm not your hell
But I could try to be that

I'm not your chance, I'm not your dream
I'm not your fantasy or a scream
But if you want I could be that

Chorus + (a...)

Chorus 2:
Peace, don't wanna live as hard as you
Peace, just make away with me, oh, you.
Peace, I'll lift you up tonight!
Don't wanna live the second life
Don't wanna take away your time

(aiâ€¦â€¦)

Chorus 2

So I said "Peace!" x4
