oh dada do, do do (x4)

[Verse 1]

The very first time that I saw your brown eyes
Your lips said hello and I said hi
I knew right then you were the one
But I was caught up in physical attraction
But to my satisfaction
Baby you were more than just a face

[Chorus]

And if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love so true
I will be sure that the lady's just like you

Oh yea

The very next time she will be my friend

[Verse 2]

If I say that i could be your one and only
Promise that you'll never leave me lonely
I just want to be the one you need (oh baby)
I just want to be the one to serve you
Sometimes I feel as if I dont deserve you

I cherish every moment that we share

[Chorus]

And if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love so true
I will be sure that the lady's just like you

[Hook]

My friend (x4)

Very next time she will be my friend
Someone who I can believe in (x4)

I need someone who will be my friend
To be with me through thick and thin

Please share my love with me my friend
I need someone like you

[Chorus]

And if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love so true
I will be sure that the lady's just like you
