"If I Ever Fall In Love"

The very first time that I saw your brown eyes
Your lips said "Hello" and I said "Hi"
I knew right then you were the one

But I was caught up in physical attraction
But to my satisfaction
Baby, you were more than just a face

And if I ever
(Ever fall)
In love again
(Again)
I will be sure that the lady is a friend

And if I ever
(Ever fall)
In love so true
(So true)
I will be sure that the lady's just like you

Oh, yeah, yeah, y-yeah
The very next time she'll be my friend

If I say that I could be your one and only
Promise that you'll never leave me lonely
I just wanna be the one you need, oh baby

I just wanna be the one to serve you
Sometimes I feel as if I don't deserve you
I cherish every moment that we share

And if I ever
(Ever fall)
In love again
(Again)
I will be sure that the lady is a friend

And if I ever fall
(Ever fall)
In love so true
(So true)
I will be sure that the lady's just like you

I need someone who'll be my friend
To be with me through thick and thin
Please share my love with me my friend
I need someone like you

And if I ever
(Ever fall)
In love again
(Again)
I will be sure that the lady is a friend

And if I ever fall
(Ever fall)
In love so true
(True)
I will be sure that the lady's just like you
