chorus:

this is the place where you belong  
right here in my arms  
without you something is wrong

misery, such a fool to let you walk away from me  
now it seems there's just nobody there for me,  
i'm in agony...  
ooh yeah  
gone without a trace, never knew that love was such a  
lonely place  
damn, i need your loving just to fill this space  
i'm in so much pain without you  
you left me here alone, why don't you come back home  
to me  
everybody help me sing

chorus:

this is the place where you belong  
right here in my arms  
without you something is wrong (x2)

waiting for your call, can't help thinking that this mess  
is all my fault  
and just to have you back, i swear i risk it all  
my every thought is of you  
girl i'm on my knees begging for forgiveness and your  
sympathy  
But most of all my love I need your company  
The only thing I need is you  
I need you back my friend so i can live again  
Come back home....everybody help me sing

chorus (x2)
