"Will I Find Someone"

Searchin' for true love
Been waitin' so long just to find it
Tell me where can, can I go
To look for the sunlight [Incomprehensible] of soul

The spirit is soft that I long for
I'm hopeful I can gaze in your eyes

Tell me will I find someone
Someone to share my life
Will I find someone
Someone to hold me tight

Aight baby, tell me what you want from me
I, I need devotion

Devotion is what they say
It takes when you yearn for the passion
That takes control, always lets me know
Girl, I don't wanna be alone anymore

The spirit is all that I hope for
I'm hopeful that I can gaze in your eyes

Tell me will I find someone
Someone to share my life
Will I find someone
Someone to hold me tight

Someone to hold, someone to know
I want someone to share my life with
Someone to hold, someone to know
I want someone to share my life with
Someone to hold, someone to know
I want someone to share my life with

Will I find, will I find?
Will I want someone to share my life with?
Someone, someone, someone, someone, baby
Someone, someone, someone, someone, baby
Someone, someone, someone, someone, baby
