Find me all the girls who came for love
And the bad girls who just wanna f*ck
Find me all the girls who look like sin
Bring 'em to my door and I'll let 'em in

We are the wrong and the guilty
We are the young and the unimpressed
We are the Handsome Devil's Club
Lust life and death
We are the opposites
We are the fools of love
We are the Handsome Devil's Club

Find me all the posh and proper girls
Wouldn't look at me for all the diamonds in the world.
I'll be the boy they swear that they regret
But secretly still makes them wet

We are the wrong and the guilty
We are the young and the unimpressed
We are the Handsome Devil's Club
Lust life and death (?)
We are the opposites
We are the fools of love
We are the Handsome Devil's Club
We're Handsome Devil's Club

So give me a good girl, a guy don't wants to please
Give me a good girl, down on her knees
Find me a good girl so I could propose
Show me a good girl that won't ever say no

We are the wrong and the guilty
We are the young and the unimpressed
We are the Handsome Devil's Club
Lust life and death (?)
We are the opposites
We are the fools of love
We are the Handsome Devil's Club
We are the Handsome Devil's Club
We are the Handsome Devil's Club

We are the Handsome Devil's Club
We are the Handsome Devil's Club
