We've been waitin' for a long time
Yes we've been waitin' for a long long time
We've been waitin' for a long time
But we ain't gonna wait no more
We're getting ready to rock 'n' roll
We're gonna 1-2-3-4, 1-2-3

Well there's a reason everybody's should be shakin' in
the house tonight
And you should grab your favorite lady and promise
her you do it right
Tell back Jack to jump back and give you some of that
booze
So you can party to some stomp down jumpin'
bump and rock 'n' roll and rhythm and blues

Chorus: 'Cause the boys are back in town
The boys are back in town

I know that everybody when they hear the music
they'll be doin' it on the floor
Jump up and down and turn around and tell the band to
play some more
Such a night we can dance and romance
and do anything we feel like doin'
Don't look surprise 'cause I know what I like
and tonight we ought to do it

Repeat Chorus
Repeat Verse 1 / Chorus

Ending: The boys are back in town
And when the boys are back
there ain't no foolin' around
