I Just Got To Be Free
(Lyrics and Music by Cristoffer Escoz)

They got game, they got fame
All they really got is their name
They try to hide from the pain
With a little bit of "Coke is Aspirin" and "pot is not even
dope"
You got to joke
Don't tell you're broke
Or that your sister got that Gonorrhea from a Working
Class Man

They got guns in their trunks
All they really got is their junk
Just to hide behind a punk-attitude
With woman's-degradation makes me so sick
I know you're thick
I know you'd kick
My ass around and shoot in the back if I told you the
truth

But I scream:
I just got to be free!
Yeah I scream:
I just got to be free!

And I get high with no Speed in my eyes
I get on sing with no gun in my skin
'Cause I'm free when I've got you by my side
And I don't need those kicks and I don't need those
tricks
I just need this freedom and I'll beâ€¦free...

And I go on scream:
I just got to be free!
Yeah I scream:
I just got to be free!

And I scream:
I just got to be free!

Yeah I scream:
I just got to be free!

And I go and scream:
I just got to be free!
Yeah I scream:
I just got to be free!
