As human, I renounce myself  
I yield to no man  
There will be no peace  
Not on Earth  
Not amongst men  
Indulge  
Be content  
Soften yourselves  
I look beyond weakness and fashion  
Confide not in flesh  
If i can't change the world  
I'll disregard it  
And look beyond  
Pray to calm my heart  
Pray for the fools  
I will be at peace  
I am not a man  
And your actions will speak alone.
