Yo, I know it's you.
I had to run out for a minute to take care a few things.
I ain't gon' be long
But if you get to the crib before I get back, you know
What to do. The crib is yours. So, um, just cool out.
I'll be there in a few.
Got a suprise for you, too. It's real sweet.
See you soon. I miss you. I love
you. I'm out...

[Terrell]:

Well, here I go in my lead, about to face rockin' on my
sounds
Got the phone in my hand
My baby hit me two times, gotta hit her back
She said she's flyin' in tonight, see, my baby's been
gone for so long
She's back in town, this time we get it on
She told me she would meet me at my spot at about
eight
That gives me two whole hours to get my shit straight,
yeah
Hit my case about six, it's almost time to see her
Almost time to get my fix, I just can't wait to see her
pretty face
She's not like all these others on the paper chase
She's the kind of girl that you wanna stay true to
There's nothing that this girl wouldn't do for you, you
know
I think I hear her in my driveway, opened up the door
This is what she had to say

(Chorus [S. Gary]):

I found someone to do what you use to
Boy, you thought you were deceiving me with your
infidelity
I found someone who really deserves me
He's all I need
I'm makin' my move
I found someone new
Ain't got no more love for you, ooo

[Terrell]:

How could you go and do this to me, baby?
Since you hit town, you had me runnin' round actin'
crazy
Had I known you'd treat me this way
We'd have to swing the shower so, another day, baby
This was your night, ringers off, beepers off
My shit was tight, you blew it baby, word is born
And after all I've done for you
You messed around and blew the best thing that ever
happened to you, baby

[S. Gary]:

Now don't go and put this all on me
Since I left town, you've been tryin' to run down
On every girl you see
I can't believe you do this to me, ooo, baby
I know about your friend with the red Benz (say what?)
Now why you wanna go and a play a game you can't
win?
You didn't know she was my best friend (DAMN!)
Now we all up in your pockets for your Benjamins,
Benjamins, what

(Repeat Chorus) x2

[Terrell]:

I'm so sorry
I need you, baby
I love you, baby
Don't go away

[S. Gary]:

I'm makin' my move
I found someone new
I got no more love for you, ooo

[Terrell]:

Right here with me

[S. Gary]:

I'm makin' my move (I love you)
I found someone new (I need you)
Ain't got no more love for you, ooo

[Terrell]:

Please stay, forever

[S. Gary]:

I'm makin' my move

I found someone new
Ain't got no more love for you, ooo

[Terrell]:
Don't leave me here

[S. Gary]:
I'm makin' my move
I found someone new (I need you)
Ain't got no more love for you, ooo

[Terrell]:
Forever
Don't leave me baby

[S. Gary]:
I'm makin' my move (Girl, I love you)
I found someone new (I need you)
Ain't got no more love for you, ooo

[Terrell]:
Forever, and ever baby
Don't leave me
Don't leave me, baby
I love you
